

Grade 7 Lifebound – EVALUATION – Lessons 19-23

Process: Creation and The Universe

NAME

DATE

ACTIVITY LESSON 19 - For the Glory of God
LESSON 20 - How small we are how little we know.
LESSON 21 - What is truth?
LESSON 23 - God's world is alive and well.

In the lessons above, you learned about:

- Who is God and what he does. Creation Stories of other cultures.
- The origins of life. Science and Genesis. Meaning of creation stories.
- Kinds of truth in the Bible. Theological, geographical, scientific and symbolic.
- God speaks to us through the Bible. Environmental commandments.

What I enjoyed the most about these lessons is: _____

What I learned from the scientific explanation of the formation of the world and the biblical story of creation in Genesis is...

What I understand now from what I learned about creation is...

What impressed me the most:

The conclusions I came to are:

What I learned from creation stories of other cultures is...

How do I see Creation now?

In Genesis 1: 26-31 God says about us, and to us...
